Who is eligible?

- Unlike other assistance programs, applications are not taken for Adult Supplementation Payments. Only people who were receiving Old Age Assistance, Permanent and Total Disability or Aid to the Blind Benefits from the state of Missouri in December 1973 are eligible for these payments. They are also eligible for medical care. The two supplementation types are Supplemental Security Income-Supplemental Payment (SSI-SP) and Missouri Supplemental Payment-Only (SP-Only).
- An SSI-SP recipient is eligible for SSI. If SSI payment plus earned and unearned income is less than their total cash income for December 1973, a supplemental payment is made.

SP-Only recipients are people who are not eligible for SSI payments because their income exceeds the SSI maximum payment, but it is not sufficient to meet their December 1973 eligible income level. A Missouri supplemental payment is made to maintain their eligible income level.
